

CASIS GROUNDS

The Casis PTA would like to thank the 11 benefactors and 220 Casis families who contributed to keep our campus lush, shady, colorful and green. This year 44% of all Casis families donated to grounds, which is 38% more than last year. Your donations are spent to cover expenses such as sprinkler maintenance and repairs, weeding and mulching, new native plants and trees, fertilization, and weed and ant control treatments. Thank you for your commitment to the campus grounds and please remember grounds in your giving next year. Sara Marler, Grounds Chair
