

IMPORTANT VOLUNTEER INFORMATION

All volunteers must register with Austin Partners in Education and complete a background check before volunteering in any AISD school. This process is free to volunteers and simple to complete. Your registration is linked to your email address, so each volunteer must register with a separate email address.

To begin the process, please go to:

<http://austinpartners.force.com/FindOpportunities>

Step 1: Under School, scroll down and click on Casis, then click on search.

Step 2: Click on “General Volunteering-Casis Elementary” and follow instructions to complete the registration process.

Once you have registered, you will receive confirmation from Austin Partners. Liza Layne, PTA Volunteer Coordinator, will also receive confirmation that you have successfully registered, and you do not need to do anything else. You are now approved to volunteer for any activities at Casis.

Please contact Liza Layne (liza.layne@sbcglobal.net, 499-8766) if you have any questions about this process.
